

## Thermal Cycling Tester for Optical Cables According to IEC 60794-1-2/F1-100x100x100(-30â€¦100C)

### Description

- Temperature range -30â€¦ 100 Â°C (Other ranges on request) //
- Chamber size 1000\*1000\*1000 mm (Other sizes on request) //
- SS304 internal chamber //
- Control by computer //
- Graphing the data //
- Windows-based software //
- USB cable for connection to computer
